Undoubtedly one of the best strata industrial units available in Frenchs Forest. Located in the heart of the Forest CBD in the new hospital precinct, amongst the high-tech corporate environment offering direct access to major arterial routes to the City, Chatswood, Ryde and Homebush. Extremely well serviced by transport and the local surrounding business community.

Modern concrete precast waling with insulated metal roofing, expansive glazing with powder coated aluminium window panels and bi-fold glazed panel doors. Great natural light and ventilation... plus all weather loading and unloading

This unit offers great fabulous street exposure, warehouse access, modern CBD grade office with separate street frontage access from Tilley Lane.

This wont last.
